### Living, Loving and Learning

Are you searching for a moment of peace?

Do you need guidance and advice about the important relationships with family and friends that shape your life?

Would you like a bit more understanding about the world and how we are all connected?

Dr. Buscaglia's books can give you these things and so much more. Join us this year as we re-visit the books that have touched our lives before and continue to

inspire us. The truths are eternal. The comfort immortal.

Each month we will explore a book. We invite you to share your comments, insights and questions via the Foundation's [Facebook Page](#).

We will begin with Living, Loving and Learning on March 1st. This collection of Dr. Buscaglia's lectures will inform and delight you.

## Lipstick Angels

**Lipstick Angels** was created to address the lack of availability of vital non- medical treatments for illness. In LA County, there are 140 hospitals serving roughly 31,885 cancer patients per year. Currently there are no other free, individualized beauty programs offered at these facilities and we are the only, in-hospital program helping vulnerable patients regain self-esteem and confidence. Since its inception they have helped 1,460 patients and looks forward to helping another 1,000 this fiscal year with the expansion of their program.

The mission of **Lipstick Angels** is to provide high quality beauty support services to restore and strengthen the dignity, hope and self-esteem of cancer patients. They strive to create an environment that fosters kindness, empathy and support that nourishes the mind, body and spirit and contributes to recovery.

**Lipstick Angels** received a grant to increase the hours of their administrative staff members from part-time to full time, website development, volunteer training and professional development and program expansion.
