Kids Konnected

Kids Konnected received a grant to fund 20 support group participants in their annual Youth Leaders Retreat. Their mission is to provide friendship, understanding, education and support for youth who have a parent with cancer or who have lost a parent with cancer.

Kids Konnected serves youth experiencing feelings of isolation, depression and anxiety as a result of the tumult of a parent's cancer diagnosis, treatment and sometimes death. They help connect the children of cancer patients in a supportive community where they can draw strength from their peers and have been doing so since 1993. Some kids who go through the program come back as youth leaders to be role models and mentors to elementary aged students that are unfortunately going through similar circumstances.

South County Outreach

South County Outreach received a grant to help pay for the operations of their Hunger and Homeless Prevention Program. The mission and purpose of **South County Outreach** is to prevent hunger and homelessness by helping people to help themselves. They accomplish this through several different programs that they make available to their community.

Their food pantry distributes almost one million pounds of food a year to more than 3,000 people a month. They also have a computer learning lab program that trains more the 600 adult students a year to increase employment options and a transitional housing program to give a home and provide crucial services to 30 previously homeless families. **South County Outreach** has served the underemployed and

homeless households in crisis since 1989.
